

NYLO PRINT MATT

XP3074 50cm wide · XP3075 75cm wide

Nylo Print Matt is ideal for materials which are 100% nylon - without a coating. This product has a matt finish compared to the gloss effect of standard Nylo Print. Nylo Print Matt can be applied to various substrates including jackets, umbrellas, flags, bags and more!

50cm & 75cm samples are available free of charge upon request.

STEP BY STEP

STEP 1

Print your design on the smooth matt side (Do not mirror image). Allow to dry for 2 hours.

STEP 2

Weed away any excess material. Cover the transfer with application tape and using a hard squeegee, using heavy pressure, remove any air bubbles. Turn over and peel the backing away.

STEP 3

Place transfer face up onto the garment (application tape on top) cover with a silicone sheet and press for 5 seconds at 150°C.

STEP 4

Once pressed, remove the silicone sheet and peel lukewarm in one smooth motion. Re-cover with a silicone sheet and repress for 15 seconds.
