

MULTI FLEX®

XP3023 - 38cm wide

Multi Flex is a multi purpose material for application to polyester, cotton and also nylon. Multi Flex has a sticky backing which makes it easy to cut, weed and apply. Ideal for both fine and large detailed logos and can be layered to make multi colour transfers.

A4 samples are available free of charge upon request, for larger samples 1m rolls are available to purchase.

STEP BY STEP

STEP 1

Cut your design in mirror image. Film blade required.

STEP 2

Weed away any excess material.

STEP 3

Place transfer face down onto the garment with the transparent backing on top and press for 15 seconds at 160°C.

STEP 4

Remove the transparent backing hot or cold.
