

SILICONE 200

XP3147 - 50cm wide

Silicone 200 is a 200 micron, matt silicone soft touch garment film that is designed to compliment performance fabrics used in the sports and athletics sectors. Silicone has excellent stretch recovery whilst maintaining a raised, 3D effect.

A4 samples are available free of charge upon request, for larger samples 1m rolls are available to purchase.

STEP BY STEP

STEP 1

Cut your design in mirror image. Film/
Flock blade required.

STEP 2

Weed away any excess material.

STEP 3

Place transfer face down onto the garment with the transparent backing on top and press for 15 seconds at 155°C.

STEP 4

Once pressed remove the garment from the heat press and peel the transparent backing cold.
